

EMR Shielding of modern Melbourne family home

EMR Shielding of modern family home in Melbourne. Project carried out by EMR Shielding Solutions using HSF-54 Shielding paint.

1) Mobile phone tower viewed from back yard of family home.

2) High reading of 121 microwatts per metre squared inside family kitchen.

3) Back part of house now shielded on the outside, only in affected areas.

4) Back part of home shielded.

5) Over painting in progress.

6) Readings now very low at only 0.94 microwatts per metre squared in the kitchen.
